Message of the Week

When you set limits on yourself, they start to define every part of your life, and restrict your potential. Remember, limits are just plateaus—temporary stops on your journey. Push beyond them, and you'll discover endless possibilities waiting for you.

Message Of The Week

SALIM HABIB UNIVERSITY

Monday
Thoughts

May 26, 2025

If you always put limits on everything you do, physical or anything else, it will spread into your work and into your life. There are no limits. There are only plateaus, and you must not stay there, you must go beyond them.
