Transfer Candidate

Eligible candidates may apply for transfer of courses from other universities to any of SHU's degree programs

The University reserves the right to accept or reject the applications of all or any such candidates

The University may consider waiving off the SHU Aptitude Test on a case-to-case basis for such candidates. However, the concerned candidates will be required to appear for an interview and also to provide valid transcripts of the courses undertaken/credits achieved at their previous institution

The decision of whether or not to accept any transfer credits rests with the Transfer Committee

A minimum of 50% of total degree credits must be completed at SHU

The courses transferred shall be recorded in the student's Final Transcript as being transfer credits
