About Outreach & PR Society

The Outreach & Public Relations (PR) Society has been established in order to assist the University's Outreach Program in connecting with schools and colleges all over the city and outside of it in order to form a network of educational institutions for the creation of a platform for possible collaborations and for spreading the word of education. The Society represents Salim Habib University at education expos, career fairs, exhibitions, and similar events at various institutions, conducts PR drives at multiple leading schools and colleges, and conducts in-house campus tours for visiting students.
