SALIM HABIB UNIVERSITY

“ MESSAGE OF THE WEEK ”

Understanding your own thoughts, emotions, strengths, weaknesses, and values is the starting point for making decisions that work in your favour and for developing a clear image of your own nature, your likes, dislikes, wants, and needs, and eventually, your purpose in life.

SALIM HABIB UNIVERSITY

“ MESSAGE OF THE WEEK ”

Considering all your options carefully and taking thoughtful decisions can be very hard to do, but is essential for success in life. What is more, once you make a decision, you should stand by it and commit to it wholeheartedly instead of changing your mind over and over again and filling your life with uncertainty and instability.
