Dean's Message

Welcome to Salim Habib University!

We are delighted to introduce you to our esteemed institution, chartered by the Government of Sindh in 2015 and recognized by the Higher Education Commission of Pakistan. Strategically situated at the hub of universities at Korangi Creek, our campus boasts cutting-edge facilities and infrastructure.

At the Faculty of Management Sciences, we cultivate a culture of innovation, empowering students to transform their ideas into successful ventures and sustainable enterprises. Our rigorous academic programs equip students with essential skills and competencies, enabling them to manage effectively and lead ethically in diverse contexts and organizations.

In pursuit of our vision to become a leading university in Business Management Education in Pakistan and abroad, the Faculty of Management Sciences is committed to:

- Achieving excellence in education with a commitment to problem-based and project-based learning
- Inspiring students to drive positive change, addressing social, economic, and global challenges
- Fostering a strong network and vibrant community, comprising faculty, alumni, and industry partners

By joining our Faculty of Management Sciences, you will become an integral part of this dynamic community. Whether you are an applicant, current student, or alumnus, we look forward to welcoming you to our esteemed faculty.

Best regards,

Prof. Dr. Amanat Ali Jalbani

Dean

Faculty of Management Science

**Departments Under Faculty of
Management Sciences**

[View All Programs](#)

Department of Psychology

The Department of Psychology is dedicated to the scientific study of human behaviour and mental processes, combining rigorous academic training with meaningful practical engagement. Our programs are thoughtfully designed to cultivate analytical thinking, develop ethical sensitivity, and research competence across a broad spectrum of psychological domains—including cognitive, developmental, clinical, social, and organizational psychology. With a strong emphasis on empirical inquiry, experiential learning, and interdisciplinary collaboration, the department equips students with the theoretical foundations and applied skills necessary for success in research, clinical practice, education, human resources, and allied fields. Supported by a distinguished faculty, modern laboratories, and field-based opportunities, our department fosters intellectual growth and societal impact through a deeper understanding of the human experience.
