About Us

With global context, the Career Placement & Industrial Liaison Office at Salim Habib University, aims to offer students, particularly graduating batches the right guidance and mentoring in the overall process of securing internship opportunities and job placements in the competitive market along with building strong corporate academia linkages. Our prime focus is to build long-term relationships with corporate, public, and social sector organizations to accustom our students with recent industry practices and enable them to build strong careers with leading organizations.

For smooth career growth, we are committed to provide our students and graduates a platform to interact with the corporate sector via industry professionals and renowned trainers throughout their time at SHU, in order to professionally groom them and develop their employability skillset, ultimately. Resulting in the placement of our graduates in reputable organizations.

Vision

Our vision is to produce well-rounded, competent graduates who possess skillsets that employers are looking for along with the ability to bring visionary transformations to future workplaces.

Mission

Our mission is to guide and mentor students in their career development processes and facilitate them in establishing smooth career paths. We aim to counsel, mentor, and help students in exploring career options, connect them with industry experts and create employability prospects.

Our Services

Career Placement & Industrial Liaison Office is engaged in providing the following services:

- Career guidance, mentoring & counselling services.
- Finding suitable job placements/internships for students.
- Preparing students for job interviews and developing their soft skills set.
- Organizing on-campus recruitment drives/ Employment Tests / seminars / workshops / lectures / training sessions.
- Publishing Graduate Directory, conducting Alumni Survey.
- Organizing Job Fairs, Industry Fairs, Employers Branding Sessions, Campus Recruitment Drives.
- Corporate – Connect Series (sessions, short endorsement videos of industry professionals).
