SALIM HABIB UNIVERSITY

(FORMERLY BARRETT HODGSON UNIVERSITY)

“ MESSAGE OF THE WEEK ”

You will always experience both good and bad in life, and it is important to maintain a balanced perspective in both situations. When things are going well, do not get overconfident or take things for granted, and when life is not treating you well, be patient, persevere, and work to see a good day again. Who you are is how you react to life's gifts and challenges.
