Message of the Week

SALIM HABIB UNIVERSITY

February 17 to 23, 2025

Messege of the Week

Embrace change by putting your energy into creating something new, rather than staying stuck in the past. Focus on building a brighter future for yourself. Walk forwards, not backwards.

NC-24, Deh Dih, Dr. Salim Habib Road, Korangi Creek, Karachi 74900

Research Publication in Nanomedicine

Salim Habib University is proud to announce that a research article on nanomedicine titled 'Trojan Horses: A Secret Route for

May 26 to June 1, 2025

Message of the Week

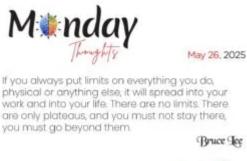

When you set limits on yourself, they start to define every part of your life, and restrict your potential. Remember, limits are just plateaus—temporary stops on your journey. Push beyond them, and you'll discover endless possibilities waiting for you.

Message Of The Week

SALIM HABIB UNIVERSITY

Monday Motivation Thought

Congratulations to CS Students from SHU for Securing the Second Position at DURS 2025
